RITUALS

Wellness rituals have the unique ability to empower us, giving us a new opportunity to learn, grow and connect as we flow through them.

Infused with Bamford's nourishing products, these healing rituals work to relieve and restore your body—and open your heart to receive the love and light that surrounds you daily.

B SILENT RITUAL

90 Minutes

Includes Chamomile, Lavender
and Vetiver

Chronic stress is a leading cause of depleted serotonin, affecting your ability to enter deep, restorative sleep, and this relaxing ritual is devoted to reversing those effects. You'll begin deep relaxation with a calming foot bath followed by Japanese Shiatsu rocking techniques and a therapeutic back massage with our B Silent Body Oil. A sequence of assisted stretches eases tension, loosens tight joints, releases your lower back and gently rotates your spine while a nurturing neck and chest massage alleviates tightness in your upper body. Finish with a soothing forehead and temple massage with our B Silent Temple Balm, setting you up to drift into a peaceful sleep. Choose to upgrade this ritual with an Amphibia Massage Table, featuring heated aqua exteriors, acoustic waves and binaural sounds to ease you into a deeper state of relaxation.

B STRONG RITUAL

90 Minutes

Includes Arnica and Wintergreen

Begin this deep tissue massage ritual with our B Strong Arnica Balm, which our intuitive therapist will massage into areas of concern to relieve pain and reduce inflammation in your muscles. This full-body massage combines Shiatsu and traditional techniques to reach deep layers of muscle tissue, treating acute tension from injury and overexertion. By increasing blood flow and realigning different layers of tissue, these techniques repair adhesions, relaxing tight muscles and allowing them to heal with help from soothing Wintergreen Balm.

B VIBRANT RITUAL

90 Minutes

Includes Rosemary, Peppermint,
Eucalyptus

Energize your body, awaken your senses and radiate positivity during this revitalizing, inside-out healing experience. Begin with a refreshing foot bath ritual followed by sound therapy to calm your nervous system and realign your energy channels. Using a warm sugar polish, your therapist will gently exfoliate and rejuvenate your skin, leading into a full body and Indian head massage using clarifying citrine crystals. Close the ritual with soothing breathwork exercises to focus your mind and leave your body feeling relaxed yet invigorated.

ULTIMATE RECOVERY RITUAL

150 Minutes

Includes Rosemary, Geranium,
Upcycled Coffee Scrub

This deep tissue massage draws inspiration from traditional Hawaiian Lomilomi massage, using gentle kneading to calm and align your body and mind. As rhythmic strokes encourage energy flow, our detoxifying upcycled coffee scrub exfoliates your skin, increases circulation and nurtures a radiant complexion. This traditional combination of a facial cleanse and massage leaves your skin and spirit feeling youthful and refreshed.

HAWAIIAN PLANT MEDICINE

As you cultivate holistic wellness, strengthen your connection to the flourishing world around you with intuitive healing experiences centered around locally sourced plants from Kauaʻi Farmacy.

Herbs have the unique ability to help you tap into your intuition and heighten your self-awareness. We encourage you to explore these insights, as they can help lay the foundation for true growth and healing.

INTUITIVE HERBAL HEALING RITUAL

90 Minutes

Begin this ritual with a healing herbal foot soak infused with the powerful plants of Kaua'i. As this awakens your senses, transition into a full body massage centered around Kaua'i Farmacy's Comfrey Noni Serum. Infused into rich macadamia nut oil, the highly revered comfrey and noni plants work together to awaken your fatigued cells. As mineral-rich comfrey bolsters the vitality of your bones, tendons and ligaments, nourishing noni encourages circulation and detoxification. Relax deeply into a traditional pain-relieving ritual, as your intuitive therapist places warmed noni leaves directly on areas of concern to melt away tension and reduce inflammation.

Enjoy a decadent, antioxidant-rich Cacao Honey Face Mask as you receive a soothing scalp massage, revealing skin that's glowing, hydrated and relaxed. To finish the ritual, savor a raw cacao nut, a rare treat full of antioxidants and heart-healthy benefits that can reduce blood pressure, improve cholesterol and boost energy.

60 | 90 Minutes

'Awa has been cherished for centuries due to its therapeutic properties. Its mild and natural icy hot sensation delivers warmth and release to areas of tension, calms anxiety and treats insomnia—simultaneously nourishing and grounding your body. Float through the rest of your day feeling centered and revitalized.

TULSI HONEY FACIAL

90 Minutes

Nurture smooth, supple and radiant skin through this conditioning treatment centered around tulsi, a powerful adaptogenic herb, and honey, a natural antibacterial. As the antioxidants in the soothing honey turmeric mask reduce inflammation, sweep away impurities and revive your skin, nutrient-rich tulsi smoothes fine lines and wrinkles to reduce visible signs of aging. Finish with a calming layer of rich kukui nut oil, leaving your skin glowing with deep, dewy hydration.

The background of the entire page is a soft-focus photograph of several large, green, serrated-edged leaves, likely from a tropical plant.
