

December 2025

Theme: Winter Wonderland

10AM – 11AM	<p>Meet and Greet and Imaginative Play</p> <p>Meet the itavi team members and let us get to know you! During this time, we'll explore our curated selection of eco-friendly toys, dress-up items, STEM-focused materials, and creative play games. This is our opportunity to get ready and capture the day together with our friends at Seedlings.</p>
11AM – 12PM	<p>Arts and Crafts</p> <p>Let's get messy and have some fun! Together we will create beautiful masterpieces centered around our monthly theme topic: Welcome Winter! Most of our projects can be taken home as a memorable handmade souvenir. This month, our crafts will have an emphasis on celebrating and honoring nature.</p>
12PM – 1PM	LUNCH
1PM - 2PM	<p>Tabletop Games and Activities</p> <p>A quiet yet fun time after lunch to use our mind in creative ways. From board games, to Perler beads, to sensory activities such as Orbeez, and even local cultural games like Dominos, our tabletop hour mixes excitement with challenge.</p>
2PM - 3PM	<p>Storytime with Arts and Crafts</p> <p>Our second Arts and Crafts hour goes with the theme of the month and starts off with story time. Each month, we have a hand-picked story which we will read together and then unleash our creativity to bring about a beautiful art project helping us evolve through learning and growing together. This month we will be reading <i>Snow</i>, a wintery story about believing what you see.</p>
3PM – 4PM	<p>Body Movement and Exercise</p> <p>Move to the rhythm, stretch your body, calm your mind, and race through fun obstacle courses. Depending on the weather and our needs, we'll do group movement and exercise either indoors or outdoors.</p>
4PM - 5 PM	<p>Imaginative Play</p> <p>Wind down from a fun filled day with some imaginative play. Our kid's club is equipped with toys which allow us to use our imagination in wild ways. And of course, we finish off not with goodbye but with "see you later"!</p>
