

Ages 4-10

July 2026

Theme: Stars & Sea Adventures

10AM - 11AM	Meet and Greet and Imaginative Play Meet the Itavi team as we jump into a month filled with sky-high imagination and ocean-themed fun. Children ease into the day with our curated toys, open-ended play, and activities inspired by stars, sea creatures, and summertime adventure. It's a lively start that sets the tone for a month full of exploration and creativity.
11AM – 12PM	Arts and Crafts Let's celebrate the magic of the sea and the sparkle of the sky! Together we'll create bold and vibrant projects inspired by underwater animals, constellations, shimmering stars, and summer nights. Using bright ocean blues, deep galaxy tones, and themed materials, each craft becomes a fun, creative souvenir of our Stars & Sea Adventures month.
12PM – 1PM	LUNCH
1PM - 2PM	Tabletop Games and Activities A quiet time after lunch reserved to explore a selection of tabletop activities that encourages creativity, problem-solving, and social play. From puzzles and building sets, to Perler Beads and Orbeez, this hour mixes excitement with challenge
2PM - 3PM	Creative Exploration Diving into sky-and-sea-inspired materials, we'll experiment, build, and create freely with textured supplies, ocean colors, STEM projects, and loose parts that move, connect, and transform. From exploring galaxy art styles to testing how underwater-themed materials interact, this block stays energetic, hands-on, and full of fun as we explore two worlds at once — above and below.
3PM – 4PM	Body Movement and Exercise Move to the rhythm of the beat, stretch your body, calm your mind, and compete in a variety of exciting challenges. Depending on the weather and available space, we rotate activities indoors or around the property to keep the energy flowing throughout the day.
4PM - 5 PM	Imaginative Play Wind down from a fun-filled day with imaginative play. Our kids' club is equipped with thoughtfully selected toys that allow us to use our imagination in wild ways. As always, we end the day not with "goodbye," but with a warm "see you later"!
