

October 2026 Theme: Celebrating Harvest

10AM – 11AM	Meet and Greet and Imaginative Play Meet the iTavi team and let us get to know you! During this time, children will have the opportunity to explore our curated collection of eco-friendly toys, dress-up items, STEM-focused materials, and creative play activities. This is a fun time to connect, get comfortable, and spark their imagination as we get ready to capture the day together with our friends at Seedlings.
11AM – 12PM	Arts and Crafts Let's get messy! Together, we'll create beautiful masterpieces inspired by our October theme: Hello, Autumn! 🍁 Children will explore the colors, textures, and magic of the changing season through hands-on, nature-inspired crafts. Many of our projects can be taken home as a memorable handmade souvenir, giving each child a special keepsake from their October adventure. This month, our crafts will celebrate the beauty of nature, seasonal change, and all the little wonders that make fall so special!
12PM – 1PM	LUNCH
1PM – 2PM	Tabletop Games and Activities A relaxed yet engaging time after lunch to unwind, connect, and use our minds in creative ways. From classic board games and Perler bead creations to sensory activities and local favorites like Dominos, our tabletop hour blends fun, creativity, and challenge. In the spirit of October, children can also enjoy fall-inspired games, puzzles, and hands-on activities that celebrate the season while encouraging imagination, focus, and friendly play.
2PM – 3PM	Storytime with Arts and Crafts Our second Arts and Crafts hour brings our October theme to life and begins with a special storytime. Each month, we hand-pick a story to read together before unleashing our creativity through a meaningful, hands-on art project. This month, we'll explore the beauty of autumn and the changing seasons, using our story as inspiration to create, imagine, and learn together. Through art, we'll celebrate nature, seasonal change, and the joy of discovering something new.
3PM – 4PM	Body Movement and Exercise Move to the rhythm, stretch your body, calm your mind, and race through fun obstacle courses! Our October movement session encourages active play, creativity, and connection through a variety of engaging exercises and movement games. Depending on the weather and the group's needs, we'll take our movement and exercise activities indoors or outdoors, with fun fall-inspired challenges woven into the experience.
4PM – 5 PM	Imaginative Play Wind down from a fun-filled day with a little imaginative play! Our Kids Club is filled with thoughtfully curated toys and materials that encourage children to dream, create, and let their imaginations run wild. As our October adventure comes to an end, we'll enjoy some relaxed playtime together, reflect on the fun we've had, and, of course, finish not with "goodbye," but with "See you later!"

*This schedule is weather permitting, and subject to change at any time without prior notice.
