| 10AM - 11AM | <b>Meet and Greet and Imaginative Play</b><br>Meet the Itavi team as we begin a month centered on exploring cultures, traditions, and creativity from across the globe. Children ease into the day with our curated toys, open-ended play, and activities inspired by different places and styles. It's an exciting, welcoming start that leads into a month filled with global imagination and discovery.                            |
| 11AM – 12PM | <b>Arts and Crafts</b><br>Let's travel the world through art! Throughout September, we'll create vibrant projects inspired by global patterns, iconic landmarks, cultural symbols, and traditional art styles. Using bold colors, diverse materials, and region-focused themes, each craft becomes a fun and creative way to experience the many artistic expressions found around the world.                                         |
| 12PM – 1PM  | <b>LUNCH</b>                                                                                                                                                                                                                                                                                                                                                                                                                          |
| 1PM - 2PM   | <b>Tabletop Games and Activities</b><br>A quiet time after lunch reserved to explore a selection of tabletop activities that encourages creativity, problem-solving, and social play. From puzzles and building sets, to Perler Beads and Orbeez, this hour mixes excitement with challenge                                                                                                                                           |
| 2PM - 3PM   | <b>Creative Exploration</b><br>Exploring globally inspired materials, we'll build, layer, and experiment with textured pieces, bright colors, STEM challenges, and loose parts that echo different cultures and styles. From trying out international-inspired art techniques to testing how materials move and connect, this block stays active, hands-on, and full of creative exploration as we journey around the world together. |
| 3PM – 4PM   | <b>Body Movement and Exercise</b><br>Move to the rhythm of the beat, stretch your body, calm your mind, and compete in a variety of exciting challenges. Depending on the weather and available space, we rotate activities indoors or around the property to keep the energy flowing throughout the day.                                                                                                                             |
| 4PM - 5 PM  | <b>Imaginative Play</b><br>Wind down from a fun-filled day with imaginative play. Our kids' club is equipped with thoughtfully selected toys that allow us to use our imagination in wild ways. As always, we end the day not with "goodbye," but with a warm "see you later"!                                                                                                                                                        |
