August 2026
Theme: Imagination Station

10AM - 11AM	Meet and Greet and Imaginative Play Meet the Itavi team as we enter a month powered by big ideas and endless creativity. Children ease into the day with our curated toys, open-ended play, and activities that spark stories, characters, and imaginative thinking. It’s an exciting start to a month all about building, inventing, and dreaming up new worlds.
11AM – 12PM	Arts and Crafts Let’s bring our imaginations to life! Throughout August, we’ll create bold, playful, and inventive pieces inspired by storytelling, fantasy, and creative design. Using expressive colors, mixed materials, and imaginative themes, each project becomes a vibrant reflection of the inventive spirit of Imagination Station.
12PM – 1PM	LUNCH
1PM - 2PM	Tabletop Games and Activities A quiet time after lunch reserved to explore a selection of tabletop activities that encourages creativity, problem-solving, and social play. From puzzles and building sets, to Perler Beads and Orbeez, this hour mixes excitement with challenge
2PM - 3PM	Creative Exploration Jumping into imaginative materials, we’ll experiment with bright colors, textured supplies, building pieces, and STEM projects that encourage us to test, mix, and create freely. From crafting characters to constructing mini inventions, this hour stays busy, fun, and full of creative energy as we explore new ideas without limits.
3PM – 4PM	Body Movement and Exercise Move to the rhythm of the beat, stretch your body, calm your mind, and compete in a variety of exciting challenges. Depending on the weather and available space, we rotate activities indoors or around the property to keep the energy flowing throughout the day.
4PM - 5 PM	Imaginative Play Wind down from a fun-filled day with imaginative play. Our kids’ club is equipped with thoughtfully selected toys that allow us to use our imagination in wild ways. As always, we end the day not with “goodbye,” but with a warm “see you later”!
