RELAX
THE BODY

Bamford Signature Treatment

80 Minutes | \$355

Our signature treatment combines carefully targeted ancient techniques that nurture your well-being. This fully immersive treatment starts with an Epsom salt foot bathing ritual to draw toxins from the body and absorb magnesium to reduce inflammation. Japanese shiatsu massage is then used to open the body's meridians and unblock the energy channels. Swedish massage techniques release specific points of tension as a heated chakra stone is placed on the abdomen for a gentle abdominal massage to improve digestive health. A face and Indian head massage will calm the mind and increase circulation to improve scalp and hair condition. The treatment finishes with assisted yogic breathing exercise to oxygenate and invigorate the body.

Bamford Full Body Massage

50/80 Minutes | \$210/\$280

This therapeutic signature massage uses a combination of shiatsu and deep tissue techniques to increase circulation, soothe tight muscles and strengthen areas of concern, leaving you feeling restored and revived. Specific pressure points are targeted to help rebalance the body, relieve tension and encourage profound relaxation.

Bamford De-Stress Massage

50/80 Minutes | \$195/\$265

Focusing on the back of the body, this massage eases tense muscles and reduces stress levels, while restoring and realigning energy. The treatment starts with an Epsom salt foot bathing ritual to draw toxins from the body and allow it to absorb magnesium to help reduce inflammation. Shiatsu pressure points along the body release tension and balance energy flow, followed by Swedish back and leg massage to help improve circulation. The treatment finishes with a relaxing reflex zone foot therapy.

Bamford Hot Stone Massage

50/80 Minutes | \$195/\$260

This profoundly relaxing full body treatment uses a combination of hot stones to work deep into your muscles. The treatment includes a firm back massage, working down the body and ends with a neck and shoulder massage. You will experience a deep release of tension and feel a sense of balance and harmony in the body and mind.

Reflexology

25/50 Minutes | \$125/\$185

Bamford Pregnancy Massage

50/80 Minutes | \$185/\$265

Our pregnancy massage is designed for the second and third trimesters of pregnancy. A full body massage using gentle unscented oils. This massage provides a peaceful and gentle uplifting experience. The treatment targets back ache, tension, and tired legs.

**Available after first trimester*

Bamford Sugar Scrub

45 Minutes | \$155

Gentle exfoliation using warm botanic sugar polish to rejuvenate the skin, increase circulation, and prepare the body for further treatment (if desired). The sugar polish is removed with a warm shower before our geranium body oil is applied.

Dual Signature Massage Journey

50/80 Minutes | \$500/\$750

Unwind and indulge with 2 Side by Side Japanese shiatsu massages together in one of our beautiful spa suites. Together you will begin with a guided deep breathing practice that combines a selected aromatic experience aimed to bring your body into a deeply relaxed state. This treatment relieves tired muscles, reduces tension, and promotes deep relaxation

Gentlemen's Signature Massage

50 Minutes | \$195

Designed to focus on tension and stress built up in your back, neck, and shoulders. This restorative treatment uses traditional massage techniques focusing on the back of the body.

B Silent Ritual

80 Minutes | \$295

Chronic stress is one of the main causes of depleted serotonin and can affect our ability to sleep well. This treatment is devoted to relaxing your body and preparing it for sound, restful sleep. This journey begins with a foot bathing ritual, followed by a Japanese Shiatsu rocking technique and therapeutic back massage using our B silent body oil. A sequence of assisted stretches has been designed to release stress, loosen tight hips, unlock the lower back, and gently rotate the spine. Massage on the neck and chest will aim to release any stress or tension. Finally, the B silent organic temple balm massage is applied to the forehead to complete the treatment with an Indian head massage that will encourage peaceful sleep.

B Strong Ritual

80 Minutes/50 | \$295/\$205

This full body massage uses a combination of shiatsu and traditional techniques to work with the deep layers of the muscle tissue and treat acute tension and injuries from overuse. Adhesions in the muscles can cause pain, inflammation, and restriction of movement. This massage works to increase blood flow, realign the different layers of tissue, relax tight muscles, and encourage them to strengthen and heal.
